

# Resource Questionnaire & Site Design Checklist

## Eco-Logic Systems Design & Consulting

Date:		# Acres (+/-)
Name:		Email:
Phone:	Fax	Cell Phone
URL / Website:		
Address:		
# of people on site, relationship, names, ages:		
Occupations / Interests / Hobbies:		
Lifestyle(s):		
Eating / Dietary Patterns:		
Level of food self reliance desired:		
Handicaps / Limitations:		
Ability to Invest in Site (time on and off land, labor, budget, etc.):		
On Site Resources (eg., water, wind, light, carbon, buildings, etc):		
Footprint (in total square feet) of existing buildings:		
Security of Land Tenure (mineral / water rights, Deed restrictions, zoning, easements, etc.):		

**Potential Catastrophes (eg., fire, flood, frost, lava, hurricanes, tornadoes, hail, etc.):**

**List of Plans, maps, drawings available:**

**History of land (logged, cropped, inhabited, pastured, sprayed, etc.):**

**Known problems:**

**Degree of privacy / sociability:**

**Short and long-range priorities / goals:**

**Soils: Sand, Silt, Clay, Loam.....?**

**Water (springs, ponds, tanks, surface water, size and volume of watershed, floodlevels, drainage patterns, etc.):**

**Average Rainfall**

**Frost Dates: First**

**Last**

**Temperature: Minimum**

**Maximum**

**Erosion?:**

**Vegetation (flora, percentage forested, exotics, ground covers, poisonous species, rare):**

**Habitation (fauna - native and introduced, pests, etc.):**

**Access (existing roads, farm roads, rights of way, etc):**

**Aspect(s) (N, S, E, W and gradient):**

**Features (rock outcrops, waterfalls, caves, swimming holes, wind / waterpower sites, views, etc.):**

**Elevation**

**Change in elevation: Highest point**

**Lowest point**

**Desires and dreams, wants, needs:**

**Local resources (people, agencies, sawmill, plants and seeds, biomass, sand gravel, timber, mulch, etc.):**

**Available utilities / services (eg., power, phone, sewerage, gas, pv, hydro, shops, schools, public transport, hospitals, fire departments, waste disposal / recycling, etc.):**

**Additional Comments:**
